

## New Product Announcement

# Smart Magnetic Plaster

### Description:

A two-coat high performance magnetic surface in dark grey color

### Weight:

10 kg or 20 kg

### Coverage:

10 kg: 5 sq m / 53.5 sq ft with 2 coats  
20 kg: 10 sq m / 107 sq ft with 2 coats

### Packaging:

5 L per 10 kg container  
11.7 L per 20 kg container

### Features:

- Low odour
- Solvent free
- Interior and exterior use
- Dry and paintable after 24 hours
- Compatible with high quality neodymium magnets such as Smart Neo-Magnets

### Benefits:

- Provides outstanding magnetic performance on all surfaces
- Works as a coating for Smarter Surfaces™ Magnetic Paint
- Creates a smooth surface by repairing any wall or substrate defects
- Provides a magnetic base for dry erase layer or finish of your choice

### Suggested uses:

- Do not dilute with water or any other fluid
- Use a rubber float or trowel to smooth each layer
- Prior to painting, surface must be cleaned and dry
- Before over-coating with another product, ensure the surface is fully dry

### Suggested target audience:

Customers and contractors who require high performance magnetic surface. Most suitable for interior quality walls.

### RRP:

10 kg: €129.00 / £99.00 / Australia \$179.00  
20 kg: €219.00 / £169.00 / Australia \$299.00

### Price to you (Ex-works):

10 kg: €49.00  
20 kg: €95.00

### Available from:

4th July 2016
